

Envision Credit Union & Addition Financial Merger - Get Out There And Vote Yes!

Dear Valued Member,

As you are aware, we are pursuing a merger opportunity with Addition Financial Credit Union. Your merger voting packet has been mailed and you should receive it soon — if you haven't already. This is your chance to make a real difference by voting YES in support of the largest credit union merger in Florida history.

This merger represents more than just growth. It's about creating a stronger, smarter, more connected credit union built for you — and by you, our members. Make sure to take a look at our "[Get out and Vote](#)" video featuring me and Kevin Miller, President and CEO of Addition Financial.

This merger will be the largest merger in Florida history and here's what to expect from this partnership:

More community power – with combined resources, we'll give back more through local initiatives, school partnerships, and nonprofit support

Next-level technology – improved mobile apps, digital banking, and innovative tools to make managing your money easier than ever

Expanded financial education – from youth savings programs to retirement planning workshops, we're committed to helping every member reach their goals

Better products and services – more mortgage options, competitive loan rates, rewards programs, and access to more branches

Stronger employee opportunity – we're investing in our teams, creating new jobs, and helping staff grow, meaning better service for you, our members.

Envision is excited to look into the future and provide better banking to you. Our dedicated employees are also excited about continuing their ability to help their members with more services from this merger. Be sure to watch our Employee Excitement Video to see just how energized our teams are about this future.

Once your ballot arrives, simply mail it back with the self-addressed envelope or drop it off at your favorite financial center while saying hi to the smiling faces ready to continue serving you.

This is more than a merger, it's a partnership.

Vote YES for growth, innovation, education, and a stronger future.

Thank you for your membership.

A handwritten signature in black ink, appearing to read 'Darryl Worrell', with a long horizontal line extending to the right.

Darryl Worrell, President/CEO
