## **ENVISION FINALIZES MERGER WITH ROSE CITY CREDIT UNION** *Thomasville CU's members approve move*

[Tallahassee, Fla.] – Yesterday, members of Thomasville’s Rose City Federal Credit Union (RCFCU) voted to merge with Envision Credit Union (Envision). On Aug. 1, RCFCU will join with Envision after months of planning and regulatory approvals. Wanting to honor the history of RCFCU in Thomasville but to reflect a formal change, the two Thomasville locations will be known as the Rose City Financial Centers. Combined, the credit union will now have over \$500 million in assets and serve more than 50,000 members.

“We are proud to come together with Envision in order to provide the best products and services to our members,” said Lee W. Bryant, CEO of RCFCU. “The needs of our members have always been a top priority of Rose City, and this merger will allow us to offer them more opportunities while remaining financially strong.”

Members of Rose City will now benefit from additional products including debit rewards, mortgage loans and credit cards. The South Georgia communities will benefit through additional community donations with the introduction of the Rose City Credit Union Foundation.

“Like Rose City Federal Credit Union, Envision is dedicated to serving the people of Thomasville,” said Darryl G. Worrell, President and CEO of Envision. “The staff of RCFCU have served their members well, and they will continue to do so. Rose City members will see the same staff they know and trust at both branch locations.”

### ***About Envision Credit Union***
